WEATHER POLICY

In the instance of inclement weather, we will make every effort to determine whether or not to cancel class in advance, so please check your email. In most cases, drizzle or light rain does not constitute a case for cancellation. Students should pack rain gear in their bags for each session. Any sessions canceled due to inclement weather or otherwise by a Beyond The Tee Training Administrator will result in one of the following changes to the camp/academy schedule:

Campers will be given the option to make up the session by attending another date during one of our other sessions at the same facility or additional time may be added to remaining dates of the camp/academy or an additional day may be added to the camp/academy, as specified by Beyond The Tee Training Administrators.

REFUND POLICY

If cancellation is necessary, any camp or clinic can be refunded in full and the refund will be processed via check (minus \$10 administration fee) if canceled with a Beyond the Tee administrator at least one week (seven [7] days) before the advertised first day of the camp or clinic, of which the student was originally registered.

Any cancellation inside of seven (7) days from the advertised first day of the camp or clinic will result in providing the student with a voucher in the amount of the price of the camp, which can then be used toward the registration fees of the next camp or clinic of their choosing.

This voucher will be good for up to one (1) year from the date of issue, and if it is not used, the amount of the voucher is considered to be forfeited by the owner.

If a student does not attend a camp or clinic that they were registered for, and did not cancel with Beyond the Tee administrators before the camp start date, no refund will be given.
